About FuelEd

Fuel Education partners with school districts to fuel personalized learning and transform the education experience inside and outside the classroom. We provide innovative solutions for pre-K through 12th grade that empower districts to implement successful online and blended learning programs. Our open, easy-to-use Personalized Learning Platform, PEAK™, enables teachers to customize courses using their own content, FuelEd courses and titles, third-party content, and open educational resources. Fuel Education offers the industry's largest catalog of K–12 digital curriculum, certified instruction, professional development, and educational services. FuelEd has helped 2,000 school districts to improve student outcomes and better serve diverse student populations.
