

Are you stuck on a concept?
Do you need extra help from a teacher?
Need a different explanation?

Pearson is pleased to announce the opening of our LiveTutor Program for Math, Science, Social Studies, English and Elementary students.

LiveTutor is an online tutoring service staffed by certified teachers and tutors. If you have already completed your lesson and you are struggling with a concept, we are here to help!

LiveTutor

To access LiveTutor, follow these simple steps

From your student homepage, click the Links tab.

- Click on the LiveTutor subject of your choice
 - LiveTutor Math
 - LiveTutor English
 - LiveTutor Elementary
 - LiveTutor Social Studies
 - LiveTutor Science

You will then enter a LiveTutor queue. When you enter the LiveTutor queue, locate the text box and type your:

- Grade level
- Course
- Teacher
- School
- Unit/Lesson
- Page#/Problem#

Wait in the queue room until a tutor is available. When a tutor is available, you will be transferred into the LiveTutor room and will hear a doorbell sound to let you know that you have entered the LiveTutor room.

LiveTutors can help you with specific problems or concepts from your lesson, but CANNOT help you with tests, quizzes, quick checks, discussions, or portfolios.
