

How to access your Tulpehocken email account

You use the same login credentials that you use to log into your TVA laptop. If this is the first time logging into email it will ask you for some location and accessibility, you can just click ok.

Email Address: _____

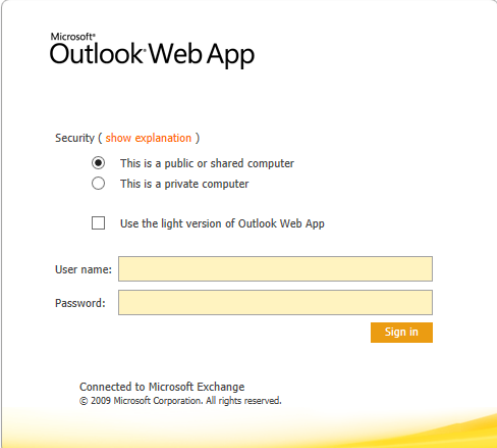

Access Email from the Internet

Open up a web browser and go to <http://webmail.tulpehocken.org/owa>

***note there is no www in front**

This will show a page like this:

Username: _____ (do not use @tulpehocken.org)

The screenshot shows the Microsoft Outlook Web App login interface. At the top, it says "Microsoft Outlook Web App". Below that is a "Security" section with three options: "This is a public or shared computer" (selected with a radio button), "This is a private computer" (unselected), and "Use the light version of Outlook Web App" (unselected). There is a "show explanation" link next to the "Security" heading. Below the security options are two input fields: "User name:" and "Password:". To the right of the "Password:" field is a "Sign in" button. At the bottom, it says "Connected to Microsoft Exchange" and "© 2009 Microsoft Corporation. All rights reserved."

Access Email from Home

You can access email here from home 2 ways. You can use the same method as above or you can open up Microsoft Outlook, this is the icon is what you click on to open Outlook:
