

TVA students are Tulpehocken students

TVA students are still Tulpehocken students, so they are able to participate in school activities as much as they'd like. Please check the TVA page on the Tulpehocken Area School District website for announcements and information for students.

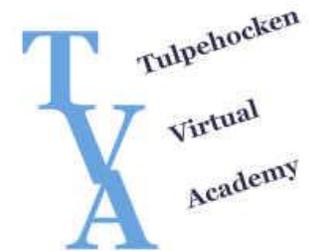

Students and parents can view announcements using the link on the TVA page. These announcements are updated daily.

Students may attend assemblies or other activities at school. Students should always sign in at the office when entering the school and obtain prior approval from Mrs. Kindoll or one of the building principals to be present in the building.

Important Points to Remember

Using email to communicate with your TVA teachers is essential.

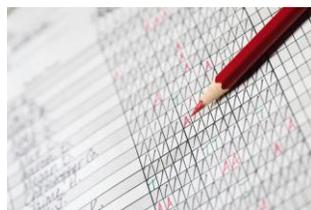

Communication

It is very important that both student and parent communicate with TVA teachers and Mrs. Kindoll. Please allow 24 hours Monday-Friday (not including holidays or weekends) for TVA teachers to respond to questions. If you don't hear from a teacher, please contact Mrs. Kindoll. You are welcome to copy any emails to teachers to Mrs. Kindoll to keep her informed about questions, concerns, or class questions. Please check your email daily for important announcements and due dates.

Attendance

You must log in daily between 12:00am and 11:59pm on any day that Tulpehocken SD has school (please refer to the school calendar). If you are unable to log in for any reason, you must call or email Mrs. Kindoll that day to be excused. Excuse blanks will need to be submitted within 3 days via scan/email. Remember the expectation for daily work is

- 45 min/day/class for elementary (K-6) plus additional time for reading/worksheets
- 60 min/day/class for secondary (7-12)
- 75 min/day/class for Honors or AP level classes

Attendance is checked each day that Tulpehocken has school.

A Team Approach

TVA teachers work closely with Mrs. Kindoll to provide updates on grades and provide the best program for each student.

While we use some of our own teachers, we also utilize teachers from each of our vendors. We suggest contacting the teacher/vendor first to discuss any questions or concerns. If you need more clarification, please contact Mrs. Kindoll. She can work with the student and teacher to resolve any issues.

Online learning requires a commitment on the part of the student to be self-motivated and self-disciplined. The parent(s) or guardian(s) also play a important role by checking on their student and asking questions about assignments, just like they would for a traditional student. Parent access to TVA progress reports and Tulpehocken Home Access can help a parent keep track of assignments and grades.
