

**The VHS  
Collaborative™**  
One Click. One World. Infinite Possibilities.

## *Looking for a challenge or a class we don't offer at Tulpy?*

Expand your educational horizons by taking a class with **The VHS Collaborative**. VHS offers over 100 courses not offered at Tulpehocken, including lots of AP classes, Latin, and more.

Are you curious about taking a course online? Do you have an interest in taking a class that is not available at Tulpehocken High School and would count toward your graduation requirements? Do you want to be challenged academically? If you answered **YES** to any of these questions then you might be the right fit for VHS.
